

Lamoille North Modified Unified Union School District Universal PreKindergarten Opportunities

The Lamoille North Modified Unified Union School District has been offering high quality, universal prekindergarten to all four-year olds in our five elementary schools since 1998. We look forward to continuing with our school-based programs in the towns of Belvidere, Cambridge, Eden, Hyde Park, Johnson, and Waterville for three and four year-old children for the 2018– 2019 school year. To register for public PreKindergarten, families need to register at the school in their town of residence. Below is a list of contacts for all Lamoille North PreK options. This list will be updated as we continue to receive requests for new partnerships. Please contact Janet Murray, Director of Early Education, for more information.
