## CONVERSION PRIVILEGE

---

1. If the Covered Person's insurance or any portion of it ends for a reason other than non-payment of premium, the Covered Person's Age or those reasons described in Paragraph 2 below, the Covered Person may have Us issue converted accident insurance on an individual policy or an individual certificate under a designated group policy. The Covered Person may not apply for an amount greater than his coverage under this Group Policy less the amount of any other group accident insurance for which he becomes eligible within 31 days after the date coverage under this Group Policy terminated. The policy or certificate will not contain disability or other additional benefits. The Covered Person need not show Us that he is insurable.

The Covered Person must apply for the individual policy within 31 days after his coverage under this Group Policy ends and pay the required premium, based on Our table of rates for such policies, his Age and class of risk.

The individual policy or certificate will take effect on the day following the date coverage under the Group Policy ended. If the Covered Person dies during this 31-day period as the result of an accident that would have been covered under this Group Policy, We will pay as a claim under this Group Policy the amount of insurance that the Covered Person was entitled to convert. It does not matter whether the Covered Person applied for the individual policy or certificate. If such policy or certificate is issued, it will be in exchange for any other benefits under this Group Policy.

2. If the Covered Person's insurance ends because this Group Policy is terminated or is amended to terminate insurance for the Covered Person's class, and he has been covered under this Group Policy for at least five years, the Covered Person may have Us issue an individual policy or certificate of accident insurance subject to the same terms, conditions and limitations listed above. However, the amount he may apply for will be limited to the lesser of the following:
  - a. coverage under this Group Policy less any amount of group accident insurance for which he is eligible on the date this Group Policy is terminated or for which he became eligible within 31 days of such termination, or
  - b. \$10,000.

## **CLAIM PROVISIONS**

---

### **Notice of Claim**

Written or authorized electronic/telephonic notice of claim must be given to Us within 31 days after a Covered Loss occurs or begins or as soon as reasonably possible. If written or authorized electronic/telephonic notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written or authorized electronic/telephonic notice was given as soon as was reasonably possible. Notice can be given to Us at Our Home Office in Philadelphia, Pennsylvania, such other place as We may designate for the purpose, or to Our authorized agent. Notice should include the Policyholder's name and policy number and the Covered Person's name, address, policy and certificate number.

### **Claim Forms**

We will send claim forms for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the proof requirements will be met by submitting, within the time fixed in this Policy for filing proof of loss, written or authorized electronic proof of the nature and extent of the loss for which the claim is made.

### **Claimant Cooperation Provision**

Failure of a claimant to cooperate with Us in the administration of the claim may result in termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

### **Proof of Loss**

Written or authorized electronic proof of loss satisfactory to Us must be given to Us at Our office, within 90 days of the loss for which claim is made. If (a) benefits are payable as periodic payments and (b) each payment is contingent upon continuing loss, then proof of loss must be submitted within 90 days after the termination of each period for which We are liable. If written or authorized electronic notice is not given within that time, no claim will be invalidated or reduced if it is shown that such notice was given as soon as reasonably possible. In any case, written or authorized electronic proof must be given not more than one year after the time it is otherwise required, except if proof is not given solely due to the lack of legal capacity.

### **Time of Payment of Claims**

We will pay benefits due under this Policy for any loss other than a loss for which this Policy provides any periodic payment immediately upon receipt of due written or authorized electronic proof of such loss. Subject to due written or authorized electronic proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly unless otherwise specified in the benefits descriptions and any balance remaining unpaid at the termination of liability will be paid immediately upon receipt of proof satisfactory to Us.

### **Payment of Claims**

All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the *Beneficiary* provision and these Claim Provisions. All other proceeds payable under this Policy, unless otherwise stated, will be payable to the covered Employee or to his estate.

If We are to pay benefits to the estate or to a person who is incapable of giving a valid release, We may pay \$1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability.

### **Physical Examination and Autopsy**

We, at Our own expense, have the right and opportunity to examine You when and as often as We may reasonably require while a claim is pending and to make an autopsy in case of death where it is not forbidden by law.

### **Legal Actions**

No action at law or in equity may be brought to recover under this Policy less than 60 days after written or authorized electronic proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.

**Beneficiary**

The beneficiary is the person or persons You name or change on a form executed by You and satisfactory to Us. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes, unless the beneficiary has been designated as an irrevocable beneficiary, or to make any assignment of rights or benefits permitted by this Policy.

A beneficiary designation or change will become effective on the date You execute it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.

If more than one person is named as beneficiary, the interests of each will be equal unless You have specified otherwise. The share of any beneficiary who does not survive You will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if You die while benefits are payable to You, We may make direct payment to the first surviving class of the following classes of persons:

1. spouse;
2. child or children;
3. mother or father;
4. sisters or brothers;
5. your estate.

**Recovery of Overpayment**

If benefits are overpaid, We have the right to recover the amount overpaid by either of the following methods.

1. A request for lump sum payment of the overpaid amount.
2. A reduction of any amounts payable under this Policy.

If there is an overpayment due when You die, We may recover the overpayment from Your estate.

If Your insurance amounts are reduced due to age, premium will be based on the amounts of insurance in force on the day after the reduction took place.

GA-00-CE1700.00

## **GENERAL PROVISIONS**

---

If You have misstated any fact, all amounts payable under this Policy will be such as the premium paid would have purchased had such fact been correctly stated.

### **Multiple Certificates**

You may have in force only one certificate of insurance at a time under this Policy. If at any time You have been issued more than one certificate, then only the largest shall be in effect. We will refund premiums paid for the others for any period of time that more than one certificate was issued.

### **Assignment**

We will be bound by an assignment of a Covered Person's insurance under this Policy only when the original assignment or a certified copy of the assignment, signed by the Covered Person and any irrevocable beneficiary, is filed with Us. The assignee may exercise all rights and receive all benefits assigned only while the assignment remains in effect and insurance under this Policy and the Covered Person's certificate remains in force.

### **Incontestability of Your Insurance**

All statements made by You are considered representations and not warranties. No statement will be used to deny or reduce benefits or be used as a defense to a claim, unless a copy of the instrument containing the statement is, or has been, furnished to the claimant.

After three years from Your effective date of insurance, or from the effective date of increased benefits, no such statement will cause insurance or the increased benefits to be contested except for fraud.

In the event of death or incapacity, the beneficiary or representative shall be given a copy.

### **Clerical Error**

Insurance for You will not be affected by error or delay in keeping records of insurance under this Policy. If such error or delay is found, We will adjust the premium fairly.

### **Policy Changes**

We may agree with the Policyholder to modify a plan of benefits without Your consent.

### **Workers' Compensation Insurance**

This Policy is not in place of and does not affect any requirements for coverage under any Workers' Compensation law.

## **VERMONT MANDATORY CIVIL UNION ENDORSEMENT**

### **PURPOSE:**

Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons. This endorsement is part of and amends this policy, contract or certificate to comply with Vermont law.

### **DEFINITIONS, TERMS, CONDITIONS AND PROVISIONS:**

The definitions, terms, conditions and any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a civil union established according to Vermont law.

Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.

Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.

"Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

"Child or covered child" means a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

### **CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE**

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA," controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.
