

November 23, 2020

Dear Lamoille North Families,

I hope all of you are doing well as we approach the Thanksgiving Holiday.

Today we learned that we have two positive COVID-19 cases in the Hyde Park Elementary School community and one in the Central Office community.

Per their protocols, the Vermont Department of Health (VTDOH) teams, or school officials with VTDOH guidance, have notified those who need to quarantine. We will keep you apprised of situations as we learn about them.

As is the case across Vermont and the nation, we are seeing an uptick in the number of positive cases of COVID-19 in our greater communities and in some of our schools. We are grateful for all the efforts being made to keep our schools open for in-person instruction and thank you for your support, diligence and cooperation.

Finally, with the holidays rapidly approaching, we understand that this may be a challenging time to remain isolated. Please continue to follow safety guidelines and know that our actions can help keep our communities safe.

I wish for all of you a safe and peaceful Thanksgiving Holiday.

My best to you,

Catherine Gallagher, M.Ed.
Superintendent of Schools
Lamoille North Supervisory Union
